# **Etiquette and Cultural Expectations**

## Dos:

- **Greet people warmly:** Tanzanians value greetings. It is polite to greet people when entering a room or meeting someone for the first time. A handshake or a friendly "Jambo" (hello) works well.
- **Dress modestly:** Tanzania is a conservative country, especially in rural areas and on the island of Zanzibar. Both men and women should wear clothing that covers their shoulders and knees to show respect for local customs.

## Don'ts:

- **Don't point with Your finger:** Pointing with a single finger is considered rude. If you need to gesture, use your whole hand instead.
- **Avoid public displays of affection:** Especially in rural and Muslim-majority areas like Zanzibar, public displays of affection, such as kissing or hugging, are frowned upon.

# Events Information

- Go on Safari (1 Day)
- Explore Stone Town (Half a Day)
- Relax on Zanzibar's Beaches (1 Day)

# Serengeti National Park

*Serengeti National Park is special primarily because of the Great Migration, where over 1.5 million wildebeest, zebras, and gazelles migrate annually, creating a dramatic and unique wildlife spectacle.*

*Additionally, the park's vast open plains and incredible diversity of wildlife, including the "Big Five" and large predator populations, make it one of the best places in the world for an authentic safari experience.*

# Safari Experience

## Why Ngorongoro Crater?

*Experience the thrill of a safari, spotting iconic wildlife like lions, elephants, and giraffes.*

*If short on time, Ngorongoro Crater offers a compact but wildlife-rich experience.*
